DISPATCH NO. REF-4037

SECRET
CLASSIFICATION

TO **Chief, of Base, Frankfurt**

DATE **26 MAR 57 10 29z**

FROM **Chief, MI**

INFO: **CSB, Germany**

SUBJECT { **GENERAL REFUSED AHSOT**
SPECIFIC Continued Employment of AHSOT 7

REFERENCE: **MEM-1A, 233**

ACTION REQUIRED: **Information and Action Requested in Paragraph 2 and 3 Below**

1. Headquarters has weighed the proposals made in the referenced dispatch under paragraph 1 concerning the immigration of AHSOT 7 and his daughter to the United States on a visa which he has to make use of by 27 April 1957, and paragraphs 2 and 3 of the same dispatch in which the Station expresses the desire to continue the employment of AHSOT 7 and requests Headquarters support for training and return of AHSOT 7 to Germany as a RIF. Since the court awarded AHSOT 7 the custody of his child, were he to bring her to the United States and then leave her here when he returned to Germany, it is highly probable that his divorced wife, who is already living in the United States, may initiate legal action to recover custody of the child and thus necessitate AHSOT 7's travel back to the United States. It is evident that this situation would give rise to a security problem, and thereby add travel expenses. Furthermore, the long range potentialities of AHSOT 7 do not appear to merit the expenditure of the time and money which would be involved in the suggested training as outlined in paragraph 5 of the referenced dispatch.

2. It is suggested that ☐ request ☐ to spot a replacement for AHSOT 7 and that the information be furnished to Headquarters for appropriate action.

3. ☐ can explain to AHSOT 7 that it is impractical to bring him back to Germany at this time under the circumstances, since his earning capacity in the United States would be considerably more and family problems would be less complicated. Therefore, termination of his contract and services with HSHM should be finalized in Frankfurt with one month's separation pay.
